Re: Wilfredo Rodriguez

Dear Mr. Provder:

I am writing to thank you for your kind assistance in the above-referenced matter. As you are aware, the case settled after jury selection for \$2.5 Million.

The comprehensive evaluation that you performed of Mr. Rodriguez factored significantly into the exceptional result. In addition to giving me a greater level of confidence that we would be successful with the jury, I am firmly convinced that the insurance carriers gave a great deal of deference to the fact that you would be one of my key witnesses. If I have any regret whatsoever, it is only that this case would have presented us with another opportunity to work together in court. On the other hand, there will be many opportunities to do so in the future.

With all best wishes to you on the Holiday Season and for a happy and healthy New Year, I am

Most cordially yours,

  
D. CARL LUSTIG, III
