Re: Madeline Colón Mulero, et al. v. Mitsubishi Motors Corp, et al

Dear Ed:

The purpose of this letter is to thank you for your expert assistance in this very difficult case. As you know, we were only able to settle the case a few days prior to trial. This case had the dubious distinction of involving very substantial damages with very questionable liability, because of the factual scenario. However, your expert assistance gave us the opportunity to negotiate a settlement.

Cordially yours,

Francisco M. Troncoso
