RE: Simmons v. Sachs

Dear Mr. Prouder:

I wanted to take this opportunity to thank you for your assistance in the above matter.

As you know, this medical malpractice case settled just prior to trial. Your expert report proved instrumental in negotiating a settlement that fairly compensated Ms. Simmons for her losses. As a vocalist and actress, Ms. Simmons' damages were extremely difficult to assess; yet, your analysis of her qualifications, her training and her experience, together with your knowledge of the industry, resulted in a very impressive and ultimately persuasive report.

I will certainly call upon you again when I am in need of an occupational assessment, and please feel free to use my name as a reference.

Very truly yours,

Gary L. Mason
